**Mineola, Long Island, NY – NYU Langone Health, NYU Langone Hospital—Long Island, Department of Pediatrics, Division of Endocrinology** is seeking a middle-level candidate for a full-time faculty position, with a minimum of 5+ years of experience, to join its existing department. Candidates will have earned a D.O., M.D., or equivalent and be Board Certified or Board Eligible in Endocrinology. *Position available January 2025.*

We seek a full-time faculty member to join our well-established team of 6 pediatric endocrinologists. We seek applicants with strong clinical skills and a commitment to academic excellence. Our Pediatric Diabetes program is one of the 40 ADA-recognized Pediatric Diabetes Centers nationwide. The pediatric endocrinology division has a strong commitment to research, education, and quality improvement. We diagnose and treat all pediatric endocrinology disorders with the opportunity to subspecialize if desired. Our pediatrics department includes a full range of pediatric specialties and support services.

NYU Langone Hospital--Long Island is affiliated with the NYU Grossman Long Island School of Medicine (GLISOM), a 3-year medical school aimed at training outstanding primary care physicians and leaders in areas of population health.

**Easy Commute:** NYU Langone Hospital--Long Island is conveniently located on Long Island in Western Nassau County just 25 miles from Manhattan and one block from the Mineola LIRR station.

The position offers a competitive salary, benefits, and malpractice insurance. Please submit a letter of interest with CV and references to [Siham.Accacha@nyulangone.org](mailto:Siham.Accacha@nyulangone.org).
