# Publication Committee Meeting

February 18, 2025

# Agenda

- Welcome (Stephanie Crossen, MD, MPH and Halis K. Akturk, MD)
- Publication Language Guide Updates (Stephanie Crossen, MD, MPH)
  - Committee Feedback
- Annual Survey Proposal
- Review Publication Proposal Process (Halis K. Akturk, MD)
  - Process for submitting
- 2025 Publication Plans (Stephanie Crossen, MD, MPH and Halis K. Akturk, MD)
  - ADA 2025 Submissions
  - Active Submissions
  - What areas do we want to publish on?
- Discussion on Publication Processes (Stephanie Crossen, MD, MPH and Halis K. Akturk, MD)

# Publication Language Guide

**Purpose:** Create a T1DX-QI Publication guide to create consistencies in all T1DX-QI Publications.

**Timeline:** Finalize all feedback and comments by March 31<sup>st</sup>, 2025. We would like to have this final and ready to disseminate to the full Collaborative by Q2 2025.

To provide feedback, please use this [link](#) to access and leave your suggestions in the form of a comment.

# Annual Survey Proposals

- If you are interested in proposing a topic for the 2025 annual center survey, please email [qi@t1dexchange.org](mailto:qi@t1dexchange.org) by Friday May 2, 2025
  - CC: Holly Hardison ([hhardison@t1dexchange.org](mailto:hhardison@t1dexchange.org)) and Nicole Rioles ([nrioles@t1dexchange.org](mailto:nrioles@t1dexchange.org))
- Topics should include no more than 8 questions
  - Questions should not include free text (examples of good format below)
  - Multiple Choice, Ranking, Matrix table are suggested

Q24

In your center who initiates prescription of CGM? (Please Rank from 1-7, 1 being most often 7 being least often)

MD/DO	1
NP/PA	2
RN/CDCES	3
RD/CDCES	4
MA/LPN	5
PharmD	6
Other <input type="text"/>	7

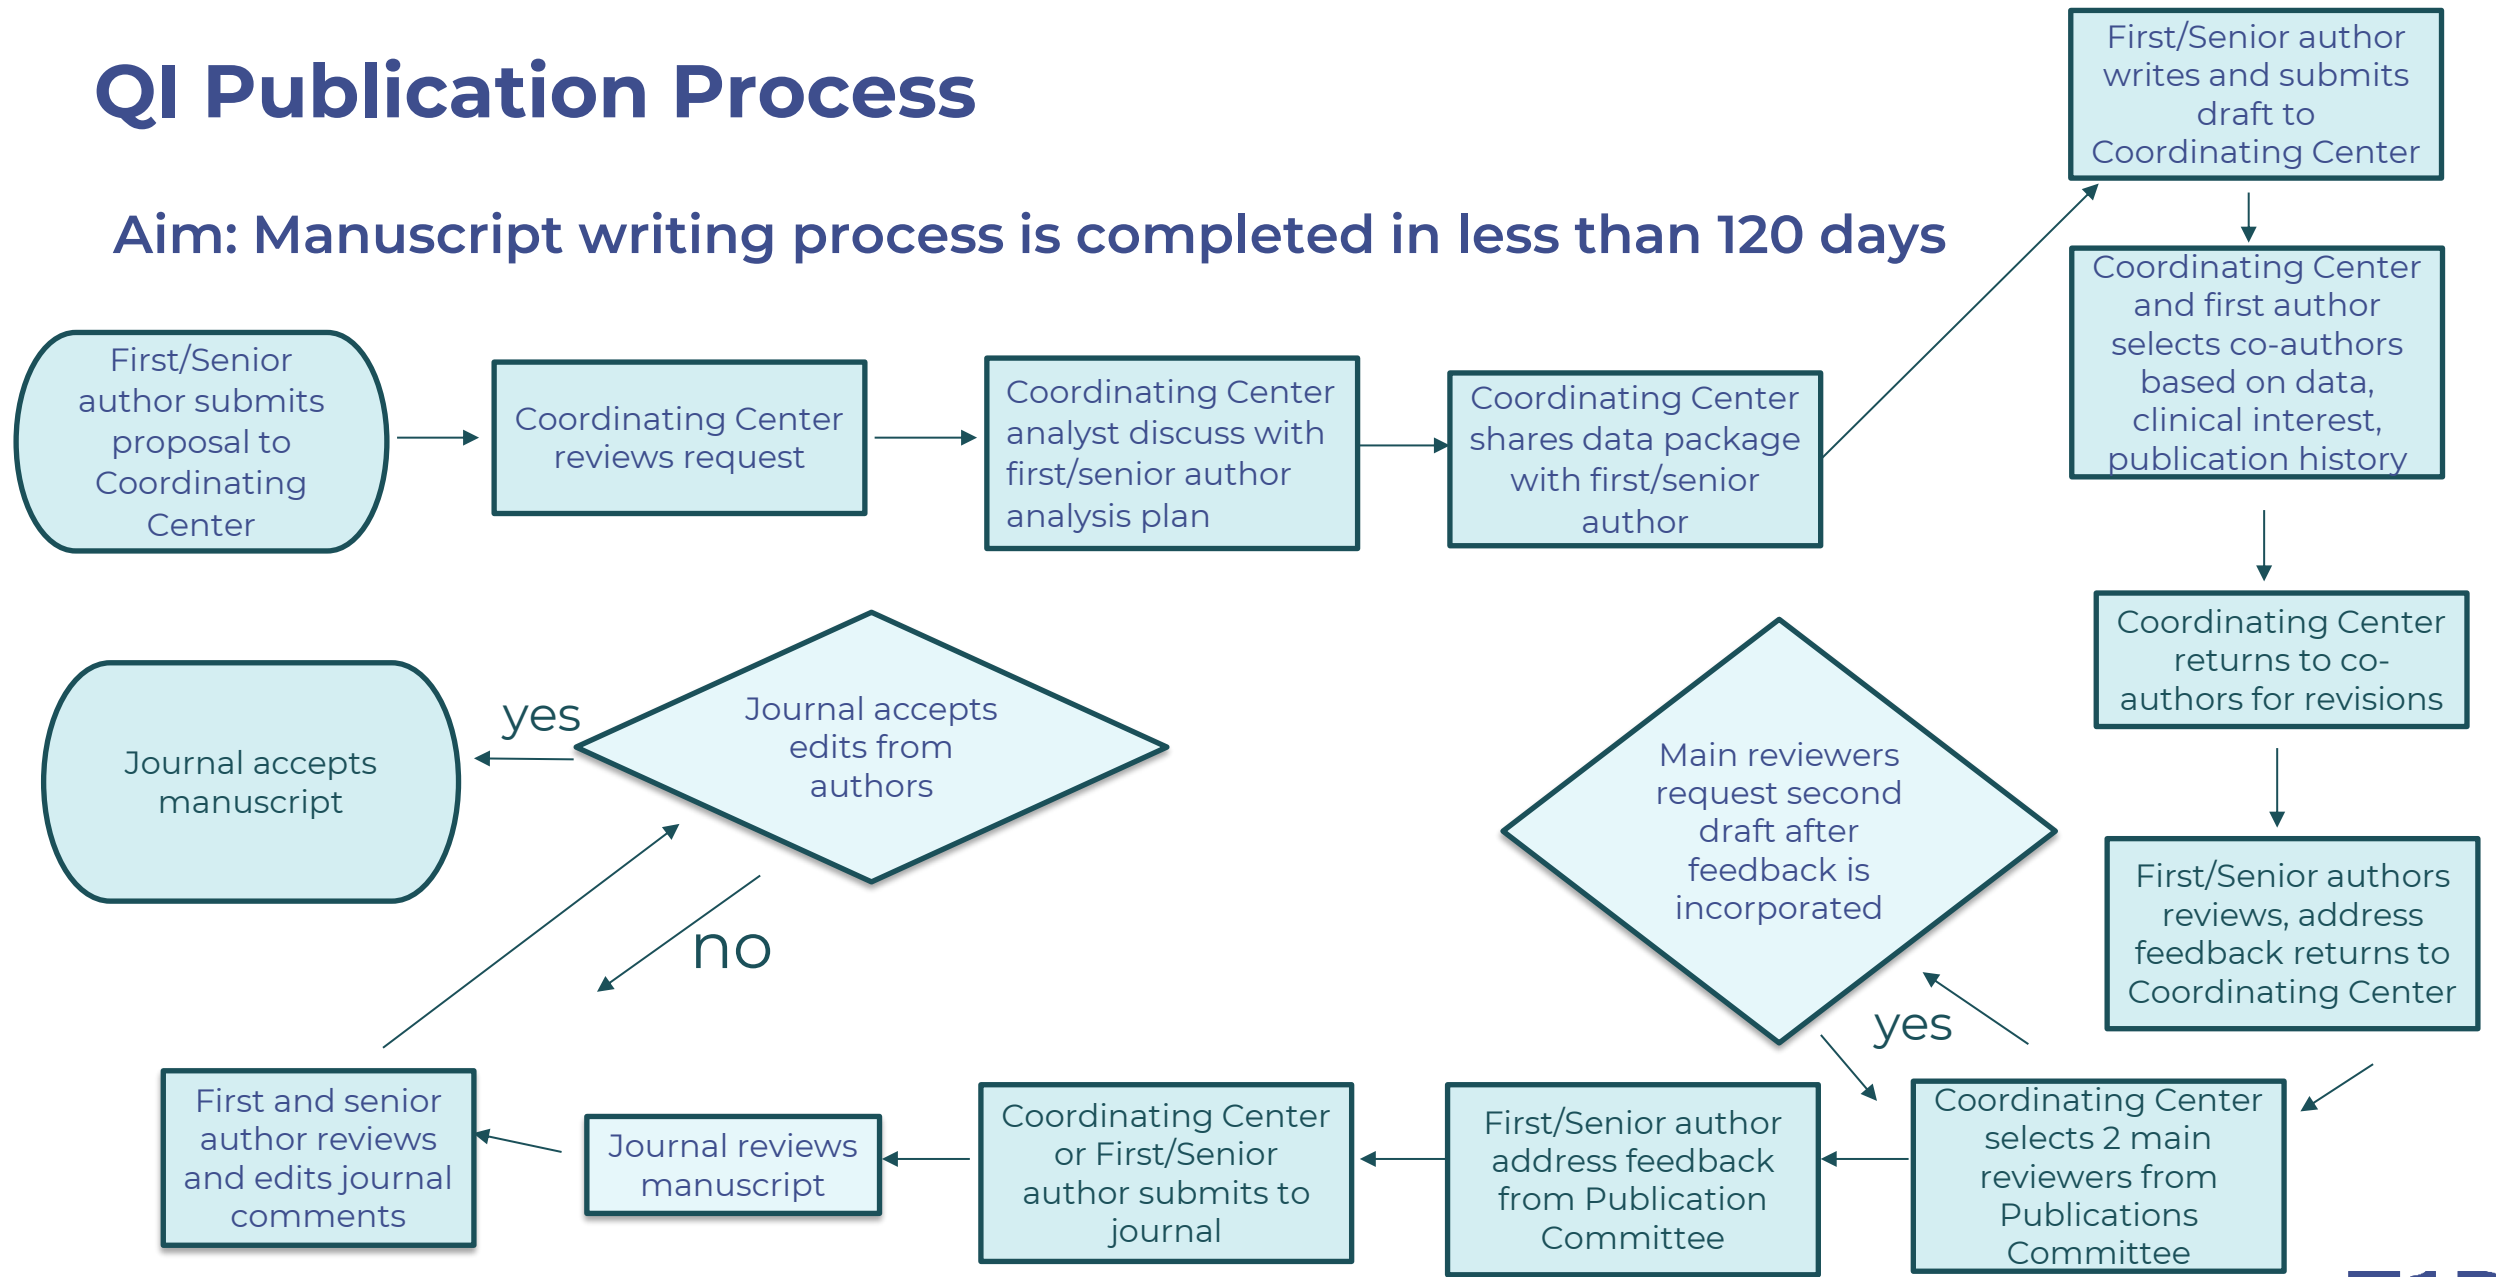

Q25

In your center, who handles prior authorizations for diabetes technologies? (select all that apply)

	MD/DO	RN/PA	RN/CDCES	MA/LPN	PharmD	Vendor Training Representative	No Dedicated Staff	Unsure/Unknown
Insulin Pump	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
CGM	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hybrid Closed Loop	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Smart/Connected Insulin Pen	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

# QI Publication Process

Aim: Manuscript writing process is completed in less than 120 days

# 2025 ADA Abstract Submissions

- 1. T1D Exchange Multicenter Study: Increasing CGM Adoption in Type 2 Diabetes**
  - a) Timothy Bol, Ori Odugbesan, Trevon Wright, Nicole Riales, Kathryn Fantasia, Elizabeth Brouillard, Margaret Zupa, Rachel Taft, David C. Ziemer, J. Sonya Haw, Osagie Ebekozen on behalf of the T1D Exchange QI Collaborative
  
- 2. Assessing clinic readiness for implementation of equitable and sustainable new-onset care in the T1DX-QI**
  - a. Franziska K. Bishop, Ananta Addala, G. Todd Alonso, Lily C. Chao, Abha Choudhary, Mark Clements, Daniel J. DeSalvo, Manisha Desai, Ramsh Johari, David M. Maahs, Andrea Mucci, Priya Prahalad, Nicole Riales, Susan Thapa, Dessi Zaharieva, Osagie Ebekozen
  
- 3. Benchmarking ratio of diabetes providers to number of people with type 1 diabetes across 9 pediatric centers**
  - a. Susan Thapa, Nicole Riales, David Maahs, Stephanie Crossen, Carla Demeterco-Berggren, Korey Hood, Laura Jacobsen, Manmohan Kamboj, Faisal Malik, Elizabeth Mann, David Scheinker, Risa Wolf, Osagie Ebekozen, MD
  
- 4. HbA1c Improvement with the Addition of Continuous Glucose Monitoring to GLP-1 Agonist Therapy in people with Type 2 Diabetes**
  - a. Susan Thapa, Dhruvi Vora, Nicole Riales, Sandra Tsai, Ruth S. Weinstock, Margaret Zupa, Sonya J. Haw, Francisco Pasquel, Thaer Idrees, Osagie Ebekozen

# Phase 4

**Short Title:** A1c trajectories 3 years after diagnosis

**First Author:** Mann

**Status:** Submitted

**Target Journal:** Diabetes Care

**Short Title:** Multi-center propensity-score matched observational study of 4,062 type 1 diabetes users of automated insulin delivery systems

**First Author:** Fogel

**Status:** Revise/Resubmit

**Target Journal:** Diabetes Therapeutics and Technology

## Phase 4

**Short Title:** Reproductive health counseling in the T1D Exchange Quality Improvement Collaborative(T1DX-QI)

**First Author:** O'Malley

**Status:** Submitted

**Target Journal:** Diabetes Spectrum

**Short Title:** Factors Considered Important by Diabetes Providers Before Recommending Automated Insulin Delivery Systems: Observations from the T1DX-QI Collaborative

**First Author:** Ebekozien

**Status:** Submitted

**Target Journal:** Diabetes Care

# 2025 Publication Plans

## 2025 Publications Based off Special Projects/Annual Survey

1. Staffing Survey (1-2 Manuscripts Mary Pat Gallagher and Ksenia Tonyushkina)
2. School Survey Questions (1 manuscript Christine March)
3. BPA Project (potentially 3 manuscripts, Risa Wolf and Nes Mathioudakis)
4. Breakthrough T1D Screening (1 Manuscript, Laura Jacobsen and Carla Demeterco-Berggren)
5. 4T Group (1 Manuscript)
6. Diabetes Distress Group (1 Manuscript)
7. Health Care Transitions Group (1 Manuscript)
8. T2D Adult Centers (1 Manuscript)

# Discussion on Publication Process

- How can we be equitable with authors within the T1DX-QI?
  - Updating areas of interest
  - Author submission confirmations

# Publication Proposal

- Mapped centers have access to all mapped data
  - Non-mapped centers have access to aggregate smart sheet data
  - Access the [publication policy](#)
- 
- Please scan this QR code to access the publication proposal
