Suggest a Topic for the 2026 Annual Survey

We are collecting annual survey topic proposals now through **Friday, May 1, 2026**. These topics, coupled with the annual staffing and center demographic questions, allow us to better understand your center and to share insights in publications.

When sharing your topics, please limit them to no more than 8 questions. Questions should be multiple choice; ranking and metric tables are suggested; free text is discouraged.

To submit your topics please email qi@t1dexchange.org and cc nrioles@t1dexchange.org and crainey@t1dexchange.org with your ideas.

Publication Language Guide

Please utilize and share the Publication Language Guide that this committee worked so hard on:
